

LET'S EXPLORE POST BOXES

2 Learning Stamps

There are post boxes in your local community.

These are known as street furniture.

There should be a Royal Mail post box within 1/2 mile of your home. Take yourself on a walk (supervised as necessary) and see how many you can find within a 30 minute walk from your house.

Try walking in a few directions

At each post box you find make some notes about what you see.

Think about and make notes on:

What shape is it?
Is it a pillar, wall or lamp box?

When are the collection times?
What else do you notice?

What is its height - how tall is it?
How wide is the posting slot?

Britain's oldest Post Box is 161 years old: Find out how you can tell how old a Post Box is. Which is the oldest Post Box you can find?

Brilliant!

Can't wait to see your results!
