

Spring Challenge 2023

Complete your challenge and present the evidence to your school for Children's University Learning Stamps to be awarded. Alternatively email your photographic evidence to the office, details below.

Chelmsford Science and Engineering Society: Photography Competition: Open to Essex Children's University Learners

2 Learning Stamps

From a flower to a rainbow, from a bubble to a radio mast, from smoke to light, from microscopy to astronomy, everywhere in our modern world we face science and engineering wonders that make our lives easier, more fun and more interesting.

In their 4th year of competition, the Chelmsford Science and Engineering Society are running their Annual Photography Competition, and this is open to Essex Children's University Learners who will receive learning stamps for their submission. Prizes will be awarded too.

There are 2 categories of entry, one for Primary Learners and one for Secondary.

All entry details can be found if you click on this link: [Centenary Photographic Competition 2023: Electronic Communication - CSES](#)

Random Acts of Kindness

1 Learning Stamp

17th February 2023 is Random Acts of Kindness Day

"NO ACT OF KINDNESS, NO MATTER HOW SMALL, IS EVER WASTED."
- AESOP

RANDOM ACTS OF KINDNESS FOUNDATION
www.randomactsofkindness.org

There are so many ways we can be kind and I am sure you have lots of ideas and already show people kindness.

Words associated with kindness include:

Respect; Caring; Inclusiveness; Integrity; Responsibility and Courage.

For this challenge we would like you to think of a new way to be kind. There are lots of wonderful ideas on [The Random Acts of Kindness Foundation | Kindness at Home](#)

Remember to be kind to yourself too!

Go Sketch – Free Workshops	1 Learning Stamp for each Workshop
-----------------------------------	-------------------------------------------

Our National Learning Destination Partner, Go Sketch, are running live, zoom, art workshops. We know that not all schools in Suffolk and Essex half the same half term, but there’s a 5pm session too, so whether you are in school or out, everybody can take part!

For all the details visit: [Free Art Classes On Zoom \(gосketchclub.com\)](https://gосketchclub.com)

Let’s Recycle – Egg Box Flowers	1 Learning Stamp
----------------------------------------	-------------------------

Take a dip into the recycling and if you have some Egg Boxes, why not make a bunch of Egg Box Flowers.

Looking through all the other recycling you have. Can you make different bunches of flowers from the different items you have?

You might decide to extend your creative ideas and think about making a Spring Wreath.

Lots of creativity in this challenge.

Essex Libraries and Suffolk Libraries	1 Learning Stamp
----------------------------------------------	-------------------------

We would always recommend checking your local library and finding out the activities they are offering during Half Term and other School Holidays.

Explore more!
Remember, all of our visitor Learning Destinations are listed on our websites and you can choose to do any of the Children’s University Challenges we have on our website too. Other Children’s University Managers create challenges for their areas, why not discover another Children’s University and complete one of their challenges too.
